Us too. We're going back and forth with the Controller a bit. It looks like the person handling this is new, as are the folks on our end. It should be resolved in the next day or two, but I'm requesting checks be issued by the 15th of August. I'll see if we can get them out sooner.

We've started getting more inquiries about the status of the refunds. Can you provide me a brief update?

Thanks.
